**Item 3. Source and Amount of Funds or Other Consideration.**

The information set forth in or incorporated by reference in Items 4, 5 and 6 of this Schedule 13D is incorporated by reference in its entirety into this Item 3.

#### **Item 4. Purpose of Transaction.**

##### *Background*

The Issuer was formed as a blank check company, incorporated for the purpose of effecting a business combination with one or more businesses. On September 17, 2019, the Issuer completed its initial public offering. On December 14, 2020 the Issuer, Experience Merger Sub, Inc. (“Merger Sub”) and Blade Urban Air Mobility, Inc. (“Blade”) entered into an agreement and plan of merger (the “Merger Agreement”). On May 7, 2021, Merger Sub merged with and into Blade, with Blade continuing as the surviving entity and a wholly owned subsidiary of the Issuer, on the terms and conditions set forth in the Merger Agreement (the “merger”). The merger is described in the Issuer’s registration statement on Form S-4/A filed with the Securities and Exchange Commission on April 6, 2021.

Pursuant to the Merger Agreement, at the effective time of the merger, (a) each outstanding share of Blade common stock, including shares that are subject to vesting conditions (the “Blade Restricted Shares” and, together with shares of Blade common stock, the “Blade Common Stock”) that was outstanding immediately prior to the effective time of the Merger (other than treasury stock) was cancelled and automatically converted into the right to receive a number of shares of Class A Common Stock calculated pursuant to the Merger Agreement; (b) each outstanding share of Blade Series Seed Preferred Stock, Blade Series A Preferred Stock and Blade Series B Preferred Stock (collectively, the “Blade Preferred Stock” and, together with the Blade Common Stock, the “Blade Stock”) that was outstanding immediately prior to the effective time of the Merger was cancelled and automatically converted into the right to receive a number of shares of Class A Common Stock calculated pursuant to the Merger Agreement; and (c) each option to acquire Blade Common Stock (each, a “Blade Option”) that was outstanding immediately prior to the effective time of the merger, was assumed and automatically converted into an option to purchase a number of shares of Class A Common Stock at the exercise price calculated pursuant to the Merger Agreement.

##### *Investor Rights Agreement*

In connection with the execution of the Merger Agreement, the Issuer entered into an investor rights agreement, dated as of December 14, 2020 (the “Investor Rights Agreement”), with certain stockholders of Blade, including ColPE Investor. The Investor Rights Agreement became effective upon the closing of the merger.

Pursuant to the Investor Rights Agreement, ColPE Investor agreed with the Issuer, subject to certain exceptions, not to sell, transfer, pledge or otherwise dispose of shares of Class A Common Stock or certain warrants to purchase shares of Class A Common Stock or warrants to purchase shares of Class A Common Stock they receive in connection with the merger or otherwise beneficially own as of the closing of the merger for one year. Additionally, following certain underwritten offerings of EIC’s equity securities, ColPE Investor also agreed to a customary market stand off period not to exceed 90 days. Pursuant to the Investor Rights Agreement, the Issuer agreed to provide to ColPE Investor “demand” registration rights and to provide to certain other parties customary “piggyback” registration rights on registered offerings of equity securities of the Issuer and certain other registration rights, subject to customary cut-back provisions. The Investor Rights Agreement also provides that the Issuer will pay certain expenses relating to such registrations and indemnify the registration rights holders against (or make contributions in respect of) certain liabilities which may arise under the Securities Act of 1933, as amended.

Pursuant to the Investor Rights Agreement, the Issuer will file a shelf registration statement within 45 days following the closing of the merger in respect of the equity securities held by certain parties to the Investor Rights Agreement and will use reasonable best efforts to maintain or, in the event it ceases to be effective, replace such shelf registration statement until such parties have sold all eligible equity securities of the Issuer beneficially owned by such parties as of the closing of the merger.

The summary of the Investor Rights Agreement contained herein is qualified in its entirety by reference to the full text of such agreement, which was filed by the Issuer as Exhibit 10.1 to the Current Report on Form 8-K filed on December 15, 2020 (and is incorporated by reference herein as Exhibit 2).

The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may from time to time and at any time in the future depending on various factors, including, without limitation, the Issuer's financial position and strategic direction, actions taken by the board of directors of the Issuer, price levels of the Shares, other investment opportunities available to Colony Capital, conditions in the securities market and general economic and industry conditions, take such actions with respect to the investment in the Issuer as it deems appropriate, including, for example: (1) disposing of any or all of the Shares and/or other equity, debt, notes, other securities, or derivative or other instruments of the Issuer that are based upon or relate to the value of the Shares (collectively, "Securities") in the open market or otherwise; or (2) engaging in any hedging or similar transactions with respect to the Securities.

Except as noted above, the Reporting Persons have no plans or proposals which relate to, or would result in, any of the matters set forth in subsections (a) through (j) of Item 4 of Schedule 13D.

#### **Item 5. Interest in Securities of the Issuer.**

The information contained in rows 7, 8, 9, 10, 11 and 13 on the cover pages of this Schedule 13D are incorporated by reference in their entirety into this Item 5.

(a) – (b) Each of the Reporting Persons may be deemed to beneficially own 5,153,835 shares of the Issuer's Class A Common Stock held by ColPE Investor, which represents 7.4% of the Class A Common Stock outstanding. The calculations of beneficial ownership and voting power described herein are based on 69,213,195 shares of Class A Common Stock of the Issuer outstanding as of May 7, 2021, as reported in the Issuer's Current Report on Form 8-K/A filed on May 17, 2021.

Other than the transactions effected in connection with the merger, the Reporting Persons have not effected any transaction with respect to the Class A Common Stock during the past 60 days.
